THE reka

THE eureka
room

The Eureka Room is the perfect space for any event, conveniently located on the intersection of two major tram routes the room has the ability to play host to a wide array of events and functions.

The space is versatile and can be transformed to host up to 500 people for standing room functions or live music right down to an intimate dinner for 20 people.

The room boasts a private bar, modern AV system, generous stage, dedicated facilities a fantastic fireplace as well as a history of producing quality events. With a clean fresh interior this space offers scope to be used for an array of both private and corporate events, business meetings, product launches, private cocktail events, performances, live music and everything in between.

Adjoining the room is a commercial sized kitchen with a dedicated team of chefs on hand to provide the perfect catering experience for your event. From stylish canapés at your next cocktail party to a 10-course degustation menu, we can't wait to share our passion for food with you.

With assistance from an in house team of event coordinators you can be assured that your event is organized and managed with the highest standard of professionalism, and you are free to enjoy your time with us care free.
